Imagine how comforting it must be when you're alone, with nowhere else to turn...to hear the words, "Don't worry, I'll be there." The CareGivers is there, providing thousands of needed rides, friendly visits, reassuring phone calls and food packages for the frail, elderly, and disabled.

The CareGivers has hundreds of volunteers, people like you willing to commit a few hours to help someone struggling to maintain their independence. For over 25 years we've been helping. Can you help?

It doesn't take much, just a call, to change someone's life...*and change your own.*
