**ALL INDIVIDUALS
FAMILIES
ORGANIZATIONS**

**DO YOU OR A GROUP OF YOUR FRIENDS/FAMILY WANT
TO HELP OUT INDIVIDUALS IN YOUR COMMUNITY?**

If so, The CareGivers could use your help.

The CareGivers organization provides free transportation and food to the elderly and disabled individuals in the Greater Manchester and Nashua areas. Most of our clients do not have the basic support structure, such as friends or family that they can lean on for assistance. These individuals are living at the poverty level, struggling to make ends meet.

To make our clients feel that they have not been forgotten this Holiday Season, we have put together a list of what each client would like to make the Holidays more cheerful.

We realize it is an early start, however, in order to make sure that each client's gifts are received, sorted, wrapped, and hand-delivered before the Holidays, we ask that purchases be made during the months of October and early November. The earlier the better!

Please visit our Amazon Wishlist to view the items that have been requested. These gifts range in price of \$3.00 to \$50.00 so you can pick the items that are in your price range.

To view the wish list, scan the QR code or click on the link:
